### Pastor's Corner

Happy Mother's Day from The Pastor's Corner

I have great memories of my mother and the mother of my children as we honor all moms today. Moms go through the valley of the shadow to bring children into this world. Moms raise their children "As a leader who knows the way, goes the way, and shows the way."

To all moms, True leadership is not about being in charge, but about taking care of those in your charge. Moms take charge of the 'invisible laundry list of home management, encompassing physical care, logistical planning, and emotional labor. Key responsibilities include child rearing, cooking, cleaning,

managing family schedules/calendars, financial budgeting, and purchasing supplies. This is the short list of just a few things you do!

May God bless each mom on Mother's Day

We love you
