Pastor's Corner

This past week I listened to the great preacher of years past Vance Havner, what a great man of God he was. Read some of his statements below.

Any man who takes Jesus Christ seriously becomes the target of the devil. Most church members do not give Satan enough trouble to arouse his opposition

There is no devil in the first two chapters of the Bible and no devil in the last two chapters. Thank God for a book that disposes of the devil!

God isn't a talent scout looking for someone who is "good enough" or "strong enough." He is looking for someone with a heart set on Him, and He will do the rest.

The tragedy of today is that the situation is desperate, but the saints are not.

God is on the lookout today for a man who will be quiet enough to get a message from Him, brave enough to preach it, and honest enough to live it.
